

# The Great Bulletin Board Challenge

## Social 7 - Chapter 5

Your mission, should you choose to pass grade 7, will be to create a Bulletin Board that could teach other really intelligent people all about the key points of chapter 5.

Steps:

- 1) Get to know Chapter 5. . . skim through it.
- 2) Get to know your group. . . start sharing ideas.
- 3) Choose someone to be the 'Final Say' person for today. The final say person does not assign tasks, but has the final say on any decisions the group needs to make.  
(Example: Should we use red or orange as our background color?) You will pick a different Final Say person each class.
- 4) Decide how you will divide the work.
- 5) Think about presentation. Neat. Titles large enough. Balance between info and pictures. 2-3 main colors. Easy to read information from 3 floor tiles away.
- 6) Research and create a beautiful bulletin board. Judging will occur **Feb 26. (5 classes)**
- 7) WIN the GREAT BULLETIN BOARD CHALLENGE and feast on some baking!
